EDUCATION

BrainStation | Diploma Candidate, Web Development

APR 2021 - JUN 2021, Remote

12-Week Immersive Bootcamp. I learned how to write and update software throughout the course. I created new applications from start to finish, as well as updated already existing code. Also, I engineered new features for my existing applications.

Jacksonville University | Bachelors in Business Administration

AUG 2011 - AUG 2015, Jacksonville, FL

A four year degree in Business Administration, throughout my major I gained valuable leadership skills, how to make great practical choices, and time management skills.

SKILLS

HTML5, CSS, JavaScript, React.js, Document Object Model (DOM) APIs, Node.js, Express.js, Web APIs, User Authentication, OAuth, Heroku, GitHub, WebPack, MySQL, JAVA, Spring, PostgreSQL, Typescript, Angular

EXPERIENCE

Cook Systems

Junior Software Engineer

MAR 2022 - PRESENT, Remote

Summary: Cook Systems is a staffing firm that provides IT support to its partners. I am currently working for FedEx as a Full Stack Developer building SaaS products for their internal teams.

- Developed Full Stack web applications to analyze and process data for the FedEx Ground team.
- Ensure applications security and ability to communicate with multiple APIs.
- Developed and executed test procedures for software components.

Hack for LA - Website Development Team

Software Engineer - Volunteer

NOV 2021 - FEB 2022, Remote

Summary: Hack for LA is the Los Angeles Chapter of Code for America. Its mission is to bring together civic-minded volunteers to build products for the community and local government to address issues in the region.

- Worked closely with the UX team to ensure the client needs at met,
- Completed task that was created and placed in the backlog.
- Reviewed my peers' code and checked for any bugs or inconsistencies.

Sonder

Guest Experience Agent

MAY 2019 - MAR 2020, Denver, CO

Summary: Sonder is a tech startup in the hospitality industry. I gained valuable Soft skills such as communication, teamwork, leadership, decision making, conflict resolution, creativity, and empathy.

- Responded to, troubleshooted, and resolved guest issues in a timely manner.
- The first point of contact for all our guests via phone, email and chat.
- Coordinated with the city teams to resolve issues on the ground and provide ongoing updates to guests.

Gusto

Renewal Team Contractor

SEP 2018 - JAN 2019, Denver, CO

Summary: Drivetime is a car dealership where I worked closely with the general manager with reports and contracts. Soft skills gained were: critical observation, work ethic, time management, listening, and writing skills.

- Collected and reviewed sensitive documents to pass to the appropriate department/ individual.
- Assisted the different teams by being the point of contact for our clients .
- Onboarded and offboarded client's employees based on needs.
